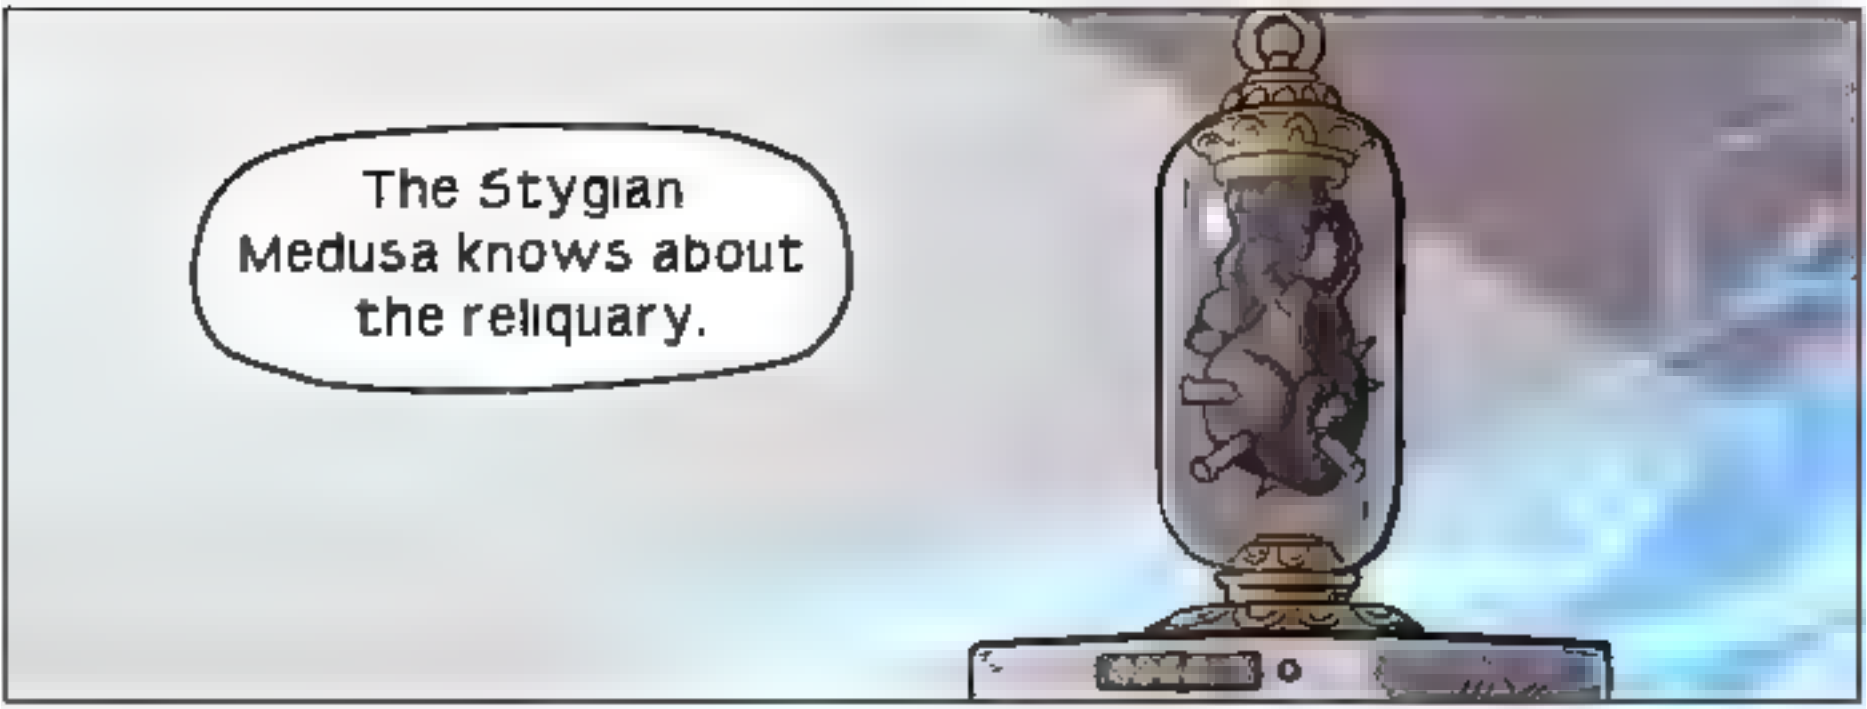
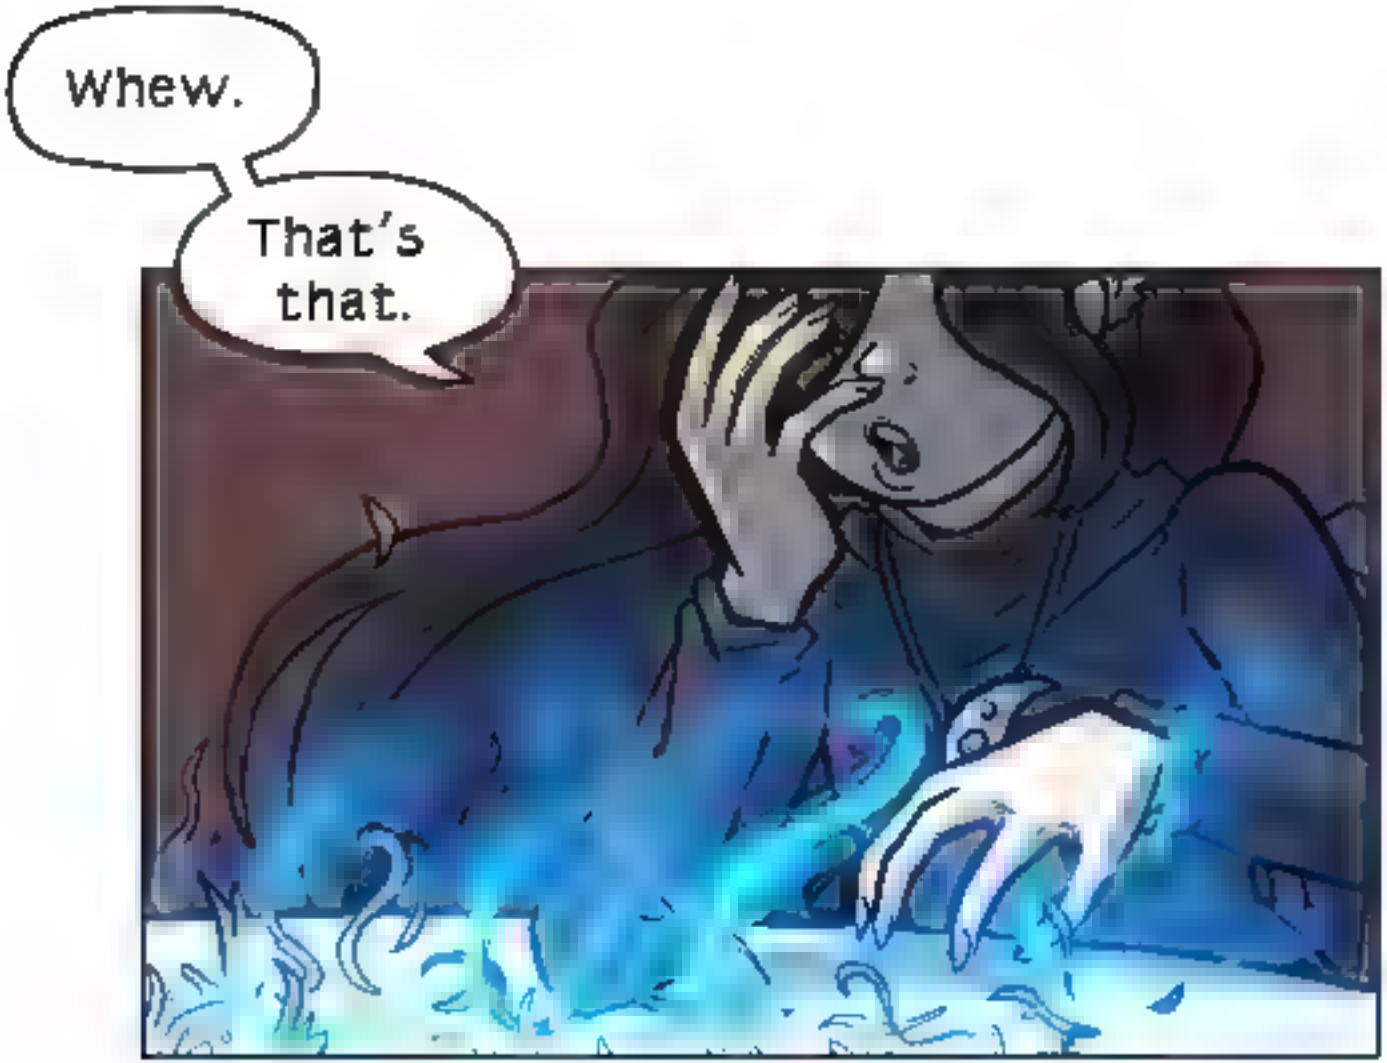
This is Ivanova. Send a priority message to the Chairman. Let him know that Object 9383 has been compromised.



The Stygian Medusa knows about the reliquary.



Whew.
That's that.

Atlas sure will come at you hard for this...
Oh, I know. They'll likely be hiring their own barbers, too.

Haha. That's a shame. Agent Colville had herself a good stylist.

So. What now?

Now, dear...

Now we see if they take the bait.
